

Further Information

If you would like this leaflet in a different format please let us know.

Please let us know before you attend if you would like a language or sign language interpreter to be present during your physiotherapy. The interpreter will maintain confidentiality about any information given during this process.

You can request to see your physiotherapy records at any time under the "Access to Health Records Act". A written request must be made to receive a copy of your records.

We aim to maintain high standards of patient care, so welcome any comments or concerns which could help us to improve our service. Please let your therapist know or contact the Physiotherapy Manager on Tel: 01298 212811, or at the address on the front of this leaflet.

If you have any complaints regarding our service then please see the leaflet in reception or contact The Patient Experience Team on 01773 525119.
